Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.
TEST QUESTION SCREEN

You may request a duplicate score report after completing the examination by emailing scorereport@psionline.com or by calling (833) 310-6427.

PREPARATION TIPS FOR THE THEORY EXAMINATION

The following suggestions will help you prepare for the examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as your starting point.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.
