If the trustee is other than a Virginia trust company or trust subsidiary or a federally insured bank or savings institution doing business in the Commonwealth and if it appears that an officer, director or employee of the trustee is dishonest, incompetent, or reckless in the management of a perpetual care trust fund, the Board may bring an action in the appropriate court to remove the trustee and to impound the property and business of the trustee as may be reasonably necessary to protect the trust funds.

(1998, cc. 708, 721.)

§ 54.1-2318. Application of Part A (§ 64.2-1200 et seq.) of Subtitle IV of Title 64.2.

Trustees appointed pursuant to this chapter shall be governed in their investment of trust funds by § 2.2-4519 and §§ 64.2-1502 through 64.2-1506, except as otherwise provided in this chapter.

(1998, cc. 708, 721.)

§ 54.1-2319. Deposit in perpetual care trust fund required upon sale of graves, etc.

Each cemetery company shall deposit a minimum of ten percent of the receipts from the sale of graves and above-ground crypts and niches, excluding below-ground burial vaults, in cash in the perpetual care trust fund within thirty days after the close of the month in which such receipts are paid to it. If the purchaser's payment is made on an installment or deferred payment basis, the cemetery company shall have the option of paying ten percent of the amount of principal in each payment received into the perpetual care trust fund. If the cemetery company provides a grave or an above-ground crypt or niche without compensation, ten percent of the retail sales price shall be deposited within thirty days after the close of the month in which the property is provided to the consumer.

(1998, cc. 708, 721; 2000, c. 36.)

§ 54.1-2320. Additional deposit not required upon subsequent sale of same grave, crypt or niche.

If ten percent of the sales price of a grave or above-ground crypt or niche has been deposited in a perpetual care trust fund, no deposit shall be required on subsequent sales of the same grave, crypt or niche.

(1998, cc. 708, 721.)

§ 54.1-2321. Recovery of original perpetual care trust fund deposit.

Once the cemetery company has deposited in the perpetual care trust fund a sum equal to twice the amount of the original deposit, exclusive of the original deposit, the trustee shall allow the cemetery company to recover its original deposit by withholding the money that would otherwise be required to be deposited in the perpetual care trust fund until the amount of the original deposit is recovered. Once the cemetery company has recovered an amount equal to its original deposit, deposits to the perpetual care trust fund shall be resumed.

(1998, cc. 708, 721.)

§ 54.1-2322. Use of income from perpetual care trust fund; distributions.

A. The income from the perpetual care trust fund shall be used solely and exclusively for the general care, maintenance, administration, and embellishment of the cemetery. Unless prior approval has been obtained from the Board or a court of competent jurisdiction, the principal of the perpetual care trust fund shall only be used for investment purposes.

B. A cemetery company may request the trustee of a perpetual care trust fund to elect the distribution of either of the following from the perpetual care trust fund:

1. All net income, which for purposes of this section means the collected dividends, interest, and other income of the perpetual care trust fund less any taxes on income, fees, commissions, and costs. A distribution made under this subdivision shall be referred to as a "net income distribution method"; or

2. An amount not to exceed five percent of the fair market value of the perpetual care trust fund at the close of its fiscal year preceding the distribution year. A distribution made under this subdivision shall be referred to as a "total return distribution method."

C. A cemetery company may request the trustee of a perpetual care trust fund to convert from a net income distribution method to a total return distribution method by delivering written or electronic notice to the trustee. Notice of such conversions shall be provided to the Board at least 90 days prior to implementation of the total return distribution method. Such notices may be written or electronic and shall include a copy of the trust instrument, election of distribution method, and an investment and distribution policy pursuant to subdivision D 1. In the event that a distribution method is not elected, distributions shall be limited to the net income distribution method.

D. The trustee of a perpetual care trust fund may reject a cemetery company's request to elect a total return distribution method. If a trustee determines that election of a total return distribution method is proper, he shall:

1. Prior to implementation of the total return distribution method, adopt a written investment and distribution policy under which the amounts of future distributions from the perpetual care trust fund will be calculated under the total return distribution method rather than net income distribution method. The investment goals and objectives of such policy shall be tailored to achieve (i) principal growth through equity investment; (ii) current income through income investment, as necessary; and (iii) an appropriate balance between (a) maintaining purchasing power through principal appreciation and (b) generating income to support the cemetery company's care and maintenance. A copy of such policy shall be sent to the Board with the notice required in subsection C;

2. Ensure that asset allocation under the perpetual care trust fund includes a diversified portfolio and that investment decisions are made in accordance with all other applicable laws of the Commonwealth;

3. Determine the fair market value of the perpetual care trust fund at least annually using generally accepted valuation methods and such valuation date or dates or averages of valuation dates as are readily ascertainable;

4. Make distributions from the perpetual care trust fund on a monthly, quarterly, semi-annual, or annual basis, as agreed upon by the cemetery company and the trustee;

5. Require that both of the following tests be met each fiscal year prior to allowing any distribution from the perpetual care trust fund to the cemetery company: (i) the fair market value of the perpetual care trust fund after the distribution will be greater than the aggregate of 80 percent of the fair market value of the perpetual care trust fund at the close of the preceding fiscal year plus the total contributions made to the trust principal from such date to the date that the method of distribution is elected and (ii) beginning with the third year of using a total return distribution method, a three-year analysis of investment returns and distribution practices indicates that such practices will result in sufficient protection of the trust principal. If either test is not met, distributions for that fiscal year shall be limited to the net income distribution method;

6. In the event that the taxes and fees paid by the perpetual care trust fund are greater than two and one-half percent of the fair market value of the trust at the close of the preceding fiscal year, reduce the distribution by the amount exceeding two and one-half percent; and

7. Maintain records documenting the fair market value of the assets held in the perpetual care trust fund at the end of the accounting period immediately prior to conversion to the total return distribution method.

E. In addition to filing an annual perpetual care trust fund financial report with the Board pursuant to § 54.1-2324, a cemetery company that has elected a total return distribution method shall also file a copy of such financial report at the close of each fiscal year with the commissioner of accounts in a jurisdiction in the Commonwealth in which the cemetery company owns a cemetery. The commissioner of accounts shall review the financial report and forward his finalized accounting to the Board, with all reasonable fees and costs for such filing and review borne by the cemetery company. A trustee shall not make any distribution from a perpetual care trust fund under a total return distribution method until the review by the commissioner of accounts has been finalized. A review shall be deemed finalized if the commissioner of accounts has not responded or communicated any deficiencies within 60 days of the submission of the financial report.

F. The Board shall review all notices of conversion or reversion of perpetual care trust fund distribution method for compliance with this section. The Board may engage the services of a professional to review notices of conversion or reversion to a total return distribution method, with all reasonable costs of such review borne by the cemetery company that submitted such notice.

The Board may limit or prohibit conversion from a net income distribution method to a total return distribution method if the trustee or any investment manager is not able to demonstrate sufficient knowledge and expertise regarding effective implementation of the total return distribution method. The Board may prohibit a reversion from the total return distribution method to the net income distribution method if the trust principal is less than it was at the time the cemetery company converted to the total return distribution method, as adjusted for inflation.

If a conversion to the total return distribution method has already been made, the Board may limit or prohibit distributions from the perpetual care trust fund if the trustee or any investment manager is not able to demonstrate sufficient knowledge and expertise regarding the distribution of trust income for the maintenance of the cemetery using the total return distribution method. In deciding whether a distribution should be limited or prohibited, the Board shall consider the presence and stated value of trust assets that do not have an active market and are not traded on a regular basis, the frequency of appraisals and evaluations of such assets, the asset allocation of the trust, and whether trust principal, as adjusted for inflation, is less than it was at the time the cemetery company converted to the total return distribution method.

The Board may require a cemetery company to restore a distribution to the perpetual care trust fund if (i) the distribution and all other aspects of the trust were not in compliance with the requirements of this section at the time such distribution was made or (ii) the cemetery company has committed fraud against the trust.

G. If a total return distribution method has been elected, the perpetual care trust fund may not be reverted to a net income distribution method absent approval by the Board. A failure by a cemetery company to file a perpetual care trust fund financial report annually

with the Board as required by § 54.1-2324 shall automatically prohibit a conversion to or continuation of a total return distribution method pending further action by the Board.

H. No portion of the perpetual care trust fund shall be used to pay any personal obligation or debt of any officer or owner of the cemetery or any tax obligation incurred by the cemetery or for any purpose other than that expressly described in this section. Nothing in this section shall be construed to limit the ability of the perpetual care trust fund trustee from paying normal operating expenses and income taxes of the trust itself, the trust being a separate legal entity.

(1998, cc. 708, 721; 2004, c. 192; 2012, c. 355; 2017, cc. 12, 65.)

§ 54.1-2323. Financial records required.

The cemetery company shall file with the Board detailed accounts of all transactions, receipts and accounts receivable subject to the ten percent trust requirement and of all expenditures of income from the perpetual care trust fund at such times as required by the Board.

(1998, cc. 708, 721.)

§ 54.1-2324. Financial report and report of independent certified public accountant required for perpetual care trust funds.

A. Within four months after the close of its fiscal year, the cemetery company shall report the following information to the Board, on forms prescribed by the Board:

1. The total amount of principal in the perpetual care trust fund;
2. The securities in which the perpetual care trust fund is invested and the amount of cash on hand as of the close of the fiscal year;
3. The income received from the perpetual care trust fund, and the sources of such income, during the preceding fiscal year;
4. The method of distribution used for distributions from the perpetual care trust fund and, if a total return distribution method was used, a schedule to verify compliance with the requirements of § 54.1-2322;
5. An affidavit executed by the compliance agent that all applicable provisions of this chapter relating to perpetual care trust funds have been complied with;
6. The total receipts subject to the 10 percent trust requirement;
7. All expenditures from the perpetual care trust fund;

8. If the trustee is other than a Virginia trust company or trust subsidiary or a federally insured bank or savings institution doing business in the Commonwealth, proof that the required fidelity bond has been secured and that it is in effect; and

9. A separate total of expenses incurred for general care and maintenance, embellishment and administration of its cemeteries.

B. The cemetery company shall (i) engage an independent certified public accountant to apply agreed-upon procedures as specified by the Board to the total of all receipts subject to § 54.1-2319, in accordance with standards established by the American Institute of Certified Public Accountants or any successor standard authorities, and (ii) provide to the Board the independent certified public accountant's report on the agreed-upon procedures. The information provided by the cemetery company shall provide full disclosure of any transactions between the perpetual care trust fund and any directors, officers, stockholders, or employees of the cemetery company, or relatives of the cemetery company's employees, and shall include a description of the transactions, the parties involved, the dates and amounts of the transactions, and the reasons for the transactions.

C. The information required to be filed hereunder with the Board shall be exempt from the Government Data Collection and Dissemination Practices Act (§ 2.2-3800 et seq.).

(1998, cc. 708, 721; 2000, c. 36; 2004, c. 247; 2015, c. 344; 2017, cc. 12, 65.)

§ 54.1-2325. Deposit in preneed trust required upon sale of property or services not to be delivered within 120 days.

A. Each cemetery company shall deposit into a trust fund at least forty percent of the receipts from the sale of property or services purchased pursuant to a preneed burial contract, when the delivery thereof will be delayed more than 120 days from the initial payment on said contract. The cemetery company shall establish a special trust fund in a Virginia trust company or trust subsidiary or a federally insured bank or savings institution doing business in the Commonwealth. The trust shall bear the legend "Preneed Trust Account." Deposits are required to be made by the cemetery company within thirty days after the close of the month in which said receipts are paid to it.

B. If the purchaser's payment is made on an installment or deferred payment basis, the seller shall have the option of paying each payment received into the preneed trust account.

(1998, cc. 708, 721.)

§ 54.1-2326. Who may serve as trustee of preneed trust fund.

A. The trustee of the preneed trust fund shall be appointed by the person owning, operating, or developing a cemetery company. If the trustee is other than a Virginia trust

company or trust subsidiary or a federally insured bank or savings institution doing business in the Commonwealth, the trustee shall be approved by the Board.

A trustee that is not a Virginia trust company or trust subsidiary or a federally insured bank or savings institution doing business in the Commonwealth shall apply to the Board for approval, and the Board shall approve the trustee when the Board has become satisfied that the applicant:

1. Employs and is directed by persons who are qualified by character, experience, and financial responsibility to care for and invest the funds of others;
2. Will perform its duties in a proper and legal manner and that the trust funds and interest of the public generally will not be jeopardized; and
3. Is authorized to do business in the Commonwealth and has adequate facilities to perform its duties as trustee.

B. If the trustee is other than a Virginia trust company or trust subsidiary or a federally insured bank or savings institution doing business in the Commonwealth, the trustee shall furnish a fidelity bond with corporate surety thereon, payable to the trust established, which shall be designated "Preneed Trust Fund for (name of cemetery company)," in a sum equal to but not less than 100 percent of the value of the principal of the trust estate at the beginning of each calendar year, which bond shall be deposited with the Board.

C. If the trustee is other than a Virginia trust company or trust subsidiary or a federally insured bank or savings institution doing business in the Commonwealth, and if it appears that an officer, director or employee of the trustee is dishonest, incompetent, or reckless in the management of a preneed trust fund, the Board may bring an action in the appropriate court to remove the trustee and to impound the property and business of the trustee as may be reasonably necessary to protect the trust funds.

(1998, cc. 708, 721.)

§ 54.1-2327. Itemized statement and general price list of burial fees to be furnished; solicitations prohibited.

A. Every cemetery company licensed pursuant to the provisions of this chapter shall furnish a written general price list and a written itemized statement of charges in connection with burial services provided by the cemetery company.

Individuals inquiring in person about burial arrangements or the prices of property or services shall be given the general price list. Upon beginning discussion of burial arrangements or the selection of any property or services, the general price list shall be offered by the cemetery company.

The itemized statement shall include, but not be limited to, the following charges: burial vaults or other burial receptacles, facilities used, and other professional services used, which shall be set forth in a clear and conspicuous manner.

The general price list and itemized statement of burial fees shall comply with forms prescribed by Board regulation, which regulations shall promote the purposes of this section.

B. No cemetery company licensed pursuant to the provisions of this chapter shall make any solicitation at-need or any preneed solicitation using in-person communication by the cemetery company, his agents, assistants or employees, which is false, misleading, or contrary to the stated purpose. However, general advertising and preneed solicitation shall be permitted.

(1998, cc. 708, 721.)

§ 54.1-2328. Requirements of preneed burial contracts.

A. It shall be unlawful for any person doing business within the Commonwealth to make, either directly or indirectly by any means, a preneed burial contract unless the contract:

1. Is made on forms prescribed by the Board and is written in clear, understandable language and printed in easy-to-read type, size and style;
2. Identifies the seller, seller's license number, contract buyer and person for whom the contract is purchased if other than the contract buyer;
3. Contains a complete description of the property or services purchased;
4. Clearly discloses whether the price of the property and services purchased is guaranteed;
5. States, for funds required to be trusted pursuant to § 54.1-2325, the amount to be trusted and the name of the trustee;
6. Contains the name, address and telephone number of the Board and lists the Board as the regulatory agency which handles consumer complaints;
7. Provides that any purchaser who makes payment under the contract may terminate the agreement within three days of execution and that such purchaser shall be refunded all consideration paid or delivered, less amounts paid for any property or supplies that have been delivered;
8. Provides that if the particular property or services specified in the contract are unavailable at the time of delivery, the seller shall be required to furnish property or services similar in size and style and at least equal in quality of material and

workmanship and that the representative of the deceased shall have the right to choose the property or services to be substituted, which shall be at least equal or reasonably equivalent in quality of material, workmanship, and cost;

9. Discloses any additional costs that the purchaser may be required to pay at-need, including disclosure of the cost of opening and closing the grave;

10. Complies with all disclosure requirements imposed by the Board;

11. Is executed in duplicate and a signed copy given to the buyer; and

12. Provides that the contract buyer shall have the right to change the contract provider at any time prior to the furnishing of the property or services, excluding any mausoleum crypt or garden crypt, contracted for under the preneed burial contract. If the contract seller will not be furnishing the property and services to the purchaser, the contract seller shall attach to the preneed burial contract a copy of the seller's agreement with the provider.

B. Any preneed burial contract sold or offered by any cemetery company or agent with a trust fund deposit of less than 100 percent shall be required to include the following printed statement in capitalized letters, in ten-point, bold-faced type:

THIS PRENEED BURIAL CONTRACT REQUIRES THE PLACEMENT IN TRUST OF A MINIMUM OF 40% OF THE FUNDS INCLUDED IN THIS CONTRACT. THE BALANCE OF FUNDS MAY BE USED FOR CARE AND MAINTENANCE OF THE CEMETERY AND ARE NOT REQUIRED TO BE PLACED IN TRUST.

(1998, cc. 708, 721.)

§ 54.1-2329. Identification of specific funds.

Specific funds deposited in the trust account shall be identified in the records of the seller by the contract number and by the name of the buyer. The trustee may commingle the deposits in any preneed trust account for the purposes of the management thereof and the investment of funds therein.

(1998, cc. 708, 721.)

§ 54.1-2330. Specific funds and income to remain in preneed trust account; exception.

Specific funds shall remain intact until the property is delivered or services performed as specified in the contract. The net income from the preneed trust account, after payment of any appropriate trustee fees, commissions, and costs, shall remain in the account and be reinvested and compounded. Any trustee fees, commissions, and costs in excess of income shall be paid by the cemetery company and not from the trust. However, the

trustee shall, as of the close of the cemetery company's fiscal year, upon written assurance to the trustee of a certified public accountant employed by the seller, return to the seller any income in the seller's account which, when added to the specific funds, is in excess of the current cost requirements for all undelivered property or services included in the seller's preneed burial contracts. The seller's cost requirements shall be certified in its records by an affidavit sworn by the compliance agent and shall be determined by the seller as of the close of the cemetery company's fiscal year.

(1998, cc. 708, 721.)

§ 54.1-2331. Disbursement of trust funds upon performance of contract.

A. Upon performance of the preneed burial contract, the seller shall certify to the trustee by affidavit the amount of specific funds in the trust, identified to the contract performed, which the trustee shall pay to the seller. The seller may in its records itemize the property or services and the consideration paid or to be paid therefor, to which the deposit requirements of this chapter apply. In such case, the seller may, upon certification to the trustee of performance or delivery of such property or services and of the amount of specific trust funds identified in its records to such items, request disbursement of that portion of the specific funds deposited pursuant to the contract, which the trustee shall pay to the seller.

B. If the preneed contract provides for two or more persons, the seller may, at its option, designate in its records the consideration paid for each individual in the preneed burial contract. In such case, upon performance of that portion of the contract identified to a particular individual, the seller may request, by certification in the manner described above, the disbursement of trust funds applicable to that portion of the contract, which the trustee shall pay to the seller.

(1998, cc. 708, 721.)

§ 54.1-2332. Seller required to keep records.

Each seller of a preneed burial contract shall file with the Board at such time as the Board may prescribe, detailed accounts of all contracts and transactions regarding preneed burial contracts.

(1998, cc. 708, 721.)

§ 54.1-2333. Financial report and report of independent certified public accountant required for preneed trust accounts.

A. The cemetery company shall report the following information to the Board within four months following the cemetery company's fiscal year, on forms prescribed by the Board:

1. The total amount of principal in the preneed trust account;

2. The securities in which the preneed trust account is invested;
3. The income received from the trust and the source of that income during the preceding fiscal year;
4. An affidavit executed by the compliance agent that all provisions of this chapter applicable to the seller relating to preneed trust accounts have been complied with;
5. Forty percent of the total receipts required to be deposited in the preneed trust account;
6. All expenditures from the preneed trust account; and
7. If the trustee is other than a Virginia trust company or trust subsidiary or a federally insured bank or savings institution doing business in the Commonwealth, proof that the required fidelity bond has been secured and that it is in effect.

B. The cemetery company shall (i) engage an independent certified public accountant to apply agreed-upon procedures as specified by the Board to the total of all receipts subject to § 54.1-2325, in accordance with standards established by the American Institute of Certified Public Accountants or any successor standard authorities, and (ii) provide to the Board the independent certified public accountant's report on the agreed-upon procedures.

The information provided by the cemetery company shall provide full disclosure of any transactions between the preneed trust account and any directors, officers, stockholders, or employees of the cemetery company, or relatives of the cemetery company's employees, and shall include a description of the transactions, the parties involved, the dates and amounts of the transactions, and the reasons for the transactions.

C. The information required to be filed hereunder with the Board shall be exempt from the Government Data Collection and Dissemination Practices Act (§ 2.2-3800 et seq.).

(1998, cc. 708, 721; 2000, c. 36; 2004, c. 247; 2015, c. 344.)

§ 54.1-2334. Inclusion of property and services to be delivered within 120 days.

Nothing in this chapter shall be deemed to prohibit the sale within the preneed burial contract of property or services to be delivered within 120 days after the receipt of the initial payment on account of such sale. Contracts may specify separately the total consideration paid or to be paid for preneed property or services not to be delivered or provided within 120 days after receipt of initial payment. If a contract does not so specify, the seller shall deposit forty percent of the total consideration for the entire contract.

(1998, cc. 708, 721.)

§ 54.1-2335. Breach of contract by seller; trust to be single purpose trust.

If, after a written request, the seller fails to perform its contractual duties, the purchaser, executor or administrator of the estate, or heirs, or assigns or duly authorized representative of the purchaser shall be entitled to maintain a proper legal or equitable action in any court of competent jurisdiction. No other purchaser need be made a party to or receive notice of any proceeding brought pursuant to this section relating to the performance of any other contract.

The trust shall be a single purpose trust, and the trust funds shall not be available to any creditors as assets of the seller.

(1998, cc. 708, 721.)

§ 54.1-2336. Trustee may rely on certifications and affidavits.

The trustee may rely upon all certifications and affidavits made pursuant to or required by the provisions of this chapter and shall not be liable to any person for such reasonable reliance.

(1998, cc. 708, 721.)

§ 54.1-2337. Transfer of trust funds to another trustee.

The seller may, upon notification in writing to the trustee, and upon such other terms and conditions as the agreement between them may specify, transfer its account funds to another trustee qualified under the provisions of this chapter. The trustee may, upon notification in writing to the seller, and upon such other terms and conditions as the agreement between them may specify, transfer the trust funds to another trustee qualified under the provisions of this chapter. No seller's account funds or trustee's trust funds may be transferred to another trustee unless the seller provides written notice at least five days prior to such transfer to the Board.

(1998, cc. 708, 721.)

§ 54.1-2338. Use of trustee's name in advertisements.

No person subject to the provisions of this chapter shall use the name of the trustee in any advertisement or other public solicitation without written permission of the trustee.

(1998, cc. 708, 721.)

§ 54.1-2339. Construction and development of mausoleums and garden crypts.

Within four years after the date of the first sale, a cemetery company or other seller of mausoleums and garden crypts shall be required to start construction or development of

that undeveloped ground or section of a mausoleum or garden crypt in which sales, contracts for sales, or agreements for sales are being made. The construction or development of such undeveloped mausoleum section or garden crypt shall be completed within five years after the date of the first such sale. Completed construction shall be deemed performance for purposes of this chapter.

(1998, cc. 708, 721.)

§ 54.1-2340. Waiver of chapter void.

Any provision of any contract which purports to waive any provision of this chapter shall be void.

(1998, cc. 708, 721.)

§ 54.1-2341. Exemption from levy, garnishment and distress.

Any money, personal property or real property paid, delivered or conveyed subject to § 54.1-2325 shall be exempt from levy, garnishment or distress.

(1998, cc. 708, 721.)

§ 54.1-2342. Penalties.

Any person who violates any of the provisions of this chapter shall be subject to the sanctions provided in Chapter 1 (§ 54.1-100 et seq.) and Chapter 2 (§ 54.1-200 et seq.) and in §§ 54.1-2314, 54.1-2317, and 54.1-2326. Any person who is convicted of willfully violating any of the provisions of this chapter is guilty of a Class 1 misdemeanor. Any person convicted of violating, or failing to comply with, any of the provisions of § 54.1-2317, 54.1-2319, 54.1-2321, 54.1-2322, 54.1-2325 or 54.1-2326 with the intent to defraud is guilty of a Class 6 felony.

For the purposes of this section, "person" includes any individual, corporation, partnership, association, cooperative, limited liability company, trust, joint venture, government, political subdivision, or any other legal or commercial entity and any successor, representative, agent, agency, instrumentality, officer or employee thereof.

(1998, cc. 708, 721; 2005, c. 691.)
