The **Compliance and Investigations Division** of the Department of Professional and Occupational Regulation (the "Department") reviews complaints to determine whether the Department is authorized to process the complaint. The Department will only process complaints against individuals or businesses that are subject to the laws or regulations of regulatory boards within the Department.

TIME FOR FILING A COMPLAINT

Any complaint against a regulant for any violation of statutes or regulations pertaining to the regulatory boards, in order to be investigated by the Department, shall be made in writing, or otherwise made in accordance with Department procedures, and received by the Department within three years of the act, omission or occurrence giving rise to the violation.

Where a regulant has materially and willfully misrepresented, concealed, or omitted any information and the information so misrepresented, concealed, or omitted is material to the establishment of the violation, the complaint may be made at any time within two years after discovery of the misrepresentation, concealment, or omission.

WHAT HAPPENS WHEN YOU FILE A COMPLAINT

The complaint will be reviewed to determine whether a violation of a law or board regulation may have occurred. If the evidence supports a probable violation of a law or board regulation, the complaint will be processed by the Compliance and Investigations Division. The complaint may be resolved informally or investigated further. You may be asked to provide additional information.

If the investigation shows probable cause that a violation occurred, (1) the appropriate regulatory board may take action to require remedial education, impose a fine, suspend or revoke the license, or fail to renew a license, or (2) criminal action may be taken if the individual or business is not licensed. You may be asked to appear in court or at a disciplinary proceeding to provide testimony for the case.

If the investigation does not show probable cause that a violation occurred, the case will be closed. For more information about the disciplinary process, visit our website at: www.dpor.virginia.gov.

In some instances, the Department may offer mediation as a means of alternative dispute resolution regarding complaints against licensees. A regulatory board CANNOT require any individual or business to refund money, correct deficiencies, or provide other personal remedies. In some cases, legal action may be your only recourse to resolve a matter. The Department cannot provide legal advice.

In certain cases, you may be eligible to receive funds under the Virginia Transaction Recovery Acts. In order to file a recovery fund claim, you must complete a notarized Recovery Fund Claim Application. A disciplinary Complaint Form is not sufficient to initiate a Recovery Fund claim. Copies of the Recovery Fund Claim Application can be found on the Department's website: [Recovery Fund Claim Form \(Contractors\)](#) and [Recovery Fund Claim Form \(Real Estate\)](#). Further information about the Recovery Fund process is available on the Department's website at www.dpor.virginia.gov. If you have additional questions or need assistance, please contact the Recovery Fund Section at (804) 367-1559, or by e-mail, at recoveryfund@dpor.virginia.gov.
