Common Interest Community Ombudsman and Board Staff

Coming to an event near you!

Whether you are a **member** of an association, on the **governing board** of an association, a common interest community **manager**, or other professional in the industry, you are affected by the activities of the Office of the Common Interest Community Ombudsman and the Common Interest Community Board.

Staff with the Common Interest Community Board and the Ombudsman will be available to provide **information, applications, and answer questions** about common interest community licensing and regulation in Virginia.

We look forward to meeting you and answering any questions you may have!
