All applicants must meet the current eligibility requirements at the time the completed application package is received at the board office. All forms must be legible. Application packages must include all required documentation and fees. Any additional information accompanying the license application must be identified with the applicant's name. It is the applicant's responsibility to ensure that the Virginia Board receives the completed package.

EXAMINATION ON BOARD REGULATIONS & STATUTES
Applicants for licensure or certification are required to read and understand the Board for Architects, Professional Engineers, Land Surveyors, Certified Interior Designers and Landscape Architects Regulations prior to applying for licensure or certification. Pursuant to Regulation 18VAC10-20-85, all applicants for licensure or certification must achieve a passing score on a Board-supplied examination pertaining to the Board's regulations and relevant statutes. After your application is received in the Board office, you will be sent an examination, which you are required to complete and return to the Board office for scoring; you will be notified if you do not achieve a passing score on this examination.
