STATEMENT OF PURPOSE

The purpose of these Standards is to establish minimum requirements for the training of apprentice ear piercers in accordance with the Board for Barbers and Cosmetology Body-piercing Regulations.

FORWARD

Recognizing the necessity for the development of skilled and efficient practitioners in the profession and to establish procedures for the training of apprentices as required by the Virginia Board for Barbers and Cosmetology, these Standards have been developed as a guide for licensees seeking approval to train apprentices.

BOTH THE APPRENTICE AND THE SPONSOR ARE RESPONSIBLE FOR READING, UNDERSTANDING, AND COMPLYING WITH THE EAR-PIERCING APPRENTICESHIP STANDARDS. FAILURE TO COMPLY WITH THESE STANDARDS MAY RESULT IN DISCIPLINARY ACTION.

It is the goal of the Department of Professional and Occupational Regulation to provide you with the information you need to comply with the law and regulations. If you have a question and cannot find the answer to it in this booklet, please contact the Board:
